DHA LICENSING

WE ARE AN APPROVED DHA ACADEMY

The DHA (Dubai health authority) main focus is to ensure high standard of safety, hygiene, professional knowledge and experience is always on excellent standard to ensure that both professionals and companies within the beauty, medical and wellness facilities is meeting the approved standards and ensure customers receiving excellent and safe service at all times.

As an approved DHA, KHDA and International academy it is our highest priority to ensure we deliver courses and programs that supports and graduates new therapists, existing professionals and companies to achieve the highest standard of excellence and receive your DHA license.

It is our responsibility as professionals & business owners in the UAE to ensure the safety of our clients is always met and to provide the ultimate customer service.

We lay enormous priority on knowledge, 5 star exclusive customer service, the latest international and safe techniques and methods following the rules and regulations of the UAE municipality to guide you as a professional into taking the correct steps to receive your KHDA diploma and DHA license.

We offer customized aesthetic, beauty therapy and skincare courses depending on your current level of knowledge, certificates and diplomas. We provide a full beauty, skin and spa therapy program which is required to be able to work in for example clinics and medical centers as a beautician

Sample of a DHA License.

IS YOUR ACADEMY AND BEAUTY THERAPY DIPLOMA APPROVED BY KHDA AND DHA?

Yes, our academy and programs are approved by both KHDA (Knowledge and Human Development Authority) & accepted by DHA (Dubai Health Authority) and as soon as you receive your diploma and experience you can start applying for the DHA license.

We do have a licensing team in the academy that can help you with the application and process of your DHA license.

WHY DO I NEED THE DHA LICENSE?

If you are looking to work in salons or in the medical field for example clinic's, medical facilities or alongside doctors and dermatologists as a beauty/skin therapist or massage/body therapist you are required to have a DHA license.

You can learn more about the license on <https://dha.gov.ae/> or visit them in Festival city.

WHAT COURSE DO I NEED TO APPLY FOR THE DHA LICENSE?

You will need a beauty therapy diploma (12 months). You can find our approved skin course in our catalogue. The complete course you need is level 1,2 and 3. You will need to complete all three levels and pass a

theoretical exam and practical exam to receive your beauty therapy diploma.

HOW MANY MONTHS DOES IT TAKE TO COMPLETE THE THEORY AND PRACTICAL PART?

It will take you around 8 months to complete the beauty therapy program. After you have completed the program you will receive a 1 year beauty therapy diploma.

DO YOU PROVIDE INTERNSHIP AND WHAT IS THE PRICE?

Yes, we provide internship/experience in our exclusive 5 star awarded showroom. It is for free and included in your beauty therapy / massage therapy program. We have a unique and exclusive showroom that will prepare you fully for your future journey whether it is in salons, spas, clinics or medical facilities.

WHAT WILL I LEARN IN THE BEAUTY THERAPY PROGRAM?

(kindly find the information in skin section level 1-3)

What makes us unique is that we do not only include the basic knowledge, but we also highly value the importance of preparing you to start working in salons, spas, clinics and medical facilities immediately after graduation.

In the course we also go through theoretically the difference between invasive and non-invasive treatments, aesthetic injections, laser and IPL, meso-therapy, chemical peels etc. to have a better

understanding of the beauty and medical industry. As a 5-star awarded academy we put a lot of focus on teaching you how to deliver an exclusive, professional and safe treatment to every customer delivering a luxury experience.

DO YOU HELP ME FIND A JOB AFTER I GRADUATE?

It is our highest priority to support you and help you find a job immediately after you graduate.

We are in collaboration with many spas, clinics, medical centers and international distributors that we put you in contact with for future opportunities.

As we are a 5 star awarded international academy and recognized globally we can also help you find a career outside United Arab Emirates (International diploma required - ITEC)

The DHA license is obligatory if you are looking to start your career in a medical facility.

WHEN WILL I RECEIVE MY DIPLOMA?

Once you have completed and passed the final theoretical and practical exam in our academy we can start applying for your KHDA diploma. It will take around 5 working days to receive your diploma after you have received your final results and passed.

* KHDA beauty therapy diploma 1 year (knowledge

and human development authority).

* Nordic International beauty and training centre - Beauty therapy diploma 1 year
